

**See the Ofsted framework requirements in a clear, easy to digest format - build confidence in your readiness for Inspection, support effective planning and target setting, evidence actions and impact - all for less than £200 a year!**

Having listened to feedback from head teachers and Governors about what's needed we have developed ProjectMap for school leaders with a focus on bringing clarity and improving the efficiency of planning and preparation - helping busy people save valuable time and money.

- **Buy now with the current framework – free update to the new framework and data transfer when you are ready.**
- **Available from January (or on release) with the new framework – get a head start.**

Broken down into a clear and easy to digest format, ProjectMap incorporates the current inspection framework to use now. The new 2019 framework will be available as soon as it's released identify priorities and prepare for 2019/2020 with confidence.

Not expecting Ofsted? Keeping on top of changes and statutory requirements is still essential. ProjectMap saves you time by providing an easy to access reference point with useful guiding questions, which you can personalise to your context.

### How does ProjectMap work?

- **Assess where you are against each element in the Ofsted framework.**  
Use ours, or add your own “Guiding Questions” to support the initial audit stage and act as a reference point when developing actions and assessing the quality of evidence.
- **Create a live action plan.**  
Easy to review progress and see evidence on line - also printable.
- **Upload Evidence.**  
This can be added at any point to demonstrate how you are meeting assessment criteria, shown the impact of actions and evidence your decision making process.
- **Manage risk.**  
Includes an easy to use Risk Register to assess risk and identify mitigating actions.
- **Review and report on progress.**  
A review is automatically generated for use in internal and external evaluation.

### What does it cost?

ProjectMap for Ofsted is sold as an annual subscription.

1 year **£195**, 3 years **£395** (paid upfront) plus vat.
